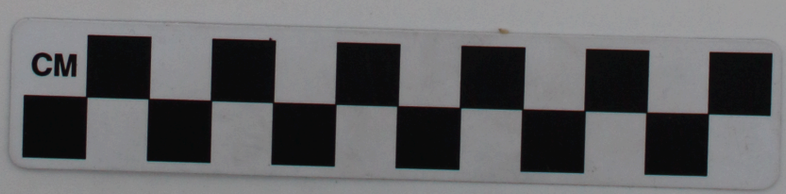
Pot Pourri -

Preserved rose leaves

Put in stone jar ½ pk. fresh rose leaves, 3 handfuls of rose leaves to 1 lb fine table salt, strew first the salt, then the leaves, till all are used, covering with salt last. Let it remain for five days - stirring & turning twice a day. Then add 3 oz. coarsely powdered allspice, 1 oz bruised stick cinnamon. This forms the stock. Let it remain a wk. turning from top to bottom. Then put into permanent jar 1 oz of allspice - adding the stock. Layer by layer - sprinkling

between the following mixture, 3 oz Orris root (Sliced thin) 1/4 oz Benzoine, 1/4 oz Storax, 2 oz Angelick root, 1 oz Anise Seed-bruised, 1/2 oz freshly dried lavendar leaves, 2 nut-megs grated, 3 Tonquin beans (whole) 6 grains fresh musk, Sandal-wood (as much as you like), Orange & Lemon peel & such freshly dried flowers as violets, pinks or other lightly scented flowers should be added each year in season, Shake and stir jar occassionally but leave open only durring the oderizing of rooms.

June 11-1876. Mrs Sherrard.

8 30 Wed morng = I thought of your constantly in the storm last eve. and wished we were together — I hope this letter will bring you only good news — and that I


shall see my daughter down again —
This was all the mail which came to the
house by this delivery! what do you think of
that! as I only slide this in the crack of the envelope
there's no room for any more but love from M—a
